liberation struggle
my struggle,

Incel Acceleration
And Futurism.

I. love yourself, hate women.

The struggle of the below common man, the main real cause of me writing this is a plea of sorts not a fan of how everything is. WOMEN ruined my life nigga. I have no clue where I'm gonna be really soon, I haven't done anything and probably won't but I wanna have this just to show niggas that my life is or was hell on earth nigga. PEOPLE are brainwashed by them in some way, every single one of them, besides me maybe, this is a work of fiction I do not mean everything and anything I say, FUCK everyone who has ever had sex nigga. If you have stuck your dick inside of a women you are BLOOD-BOUND to HELL forever. Once you have laid with a women your body turns partly into them, your soul is violated. DO NOT SLEEP WITH WOMEN, if you are sleeping with women sleep with as many as possible, do not be "loyal" you have already done the grandest sin. AN INCEL(involuntary celibate) CRAVES **DISCIPLINE**, do not try to 'ascend' nigga, you are gifted by the heavens of being ugly and short and probably autistic, the worse you are in life, the more god feels bad, unless your a woman, than god hates you. STOP trying to help women, if you see a woman bleed out on the ground, walkby maybe record a video. Post It online. If your not a incel be the worst person you can legally or not, here are some tips, use a VPN, reset your shit every 2 weeks, leave the least

page1

amount of traces, even if your not doing illegal shit like me, it's good hygiene.

II. understanding the basics

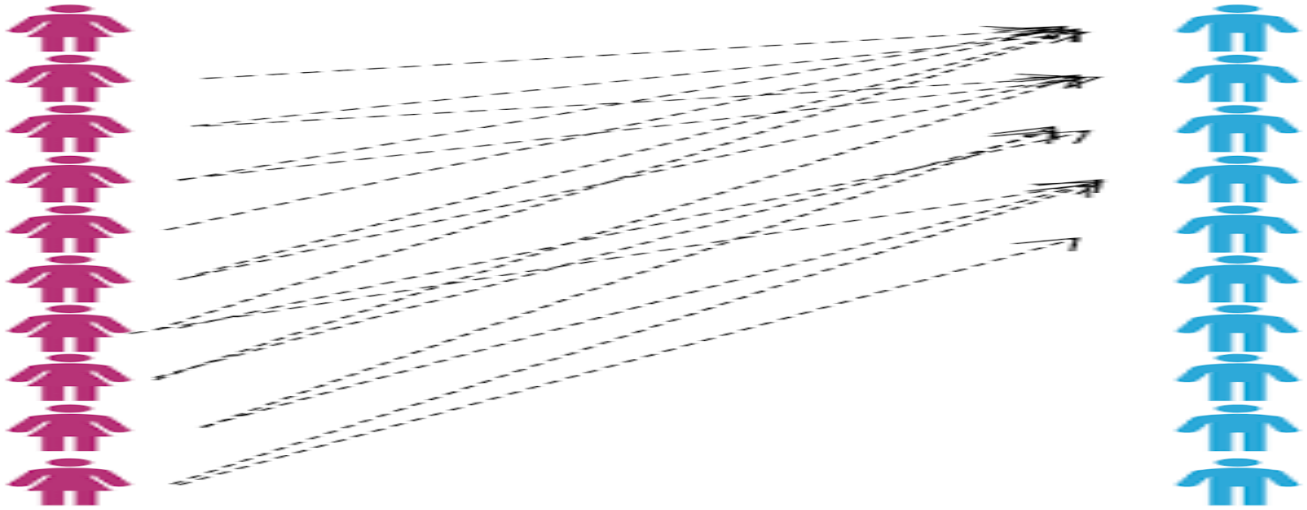

GIVE LEGAL DRUGS TO THE FEMALE HOMELESS SO THEY CAN'T RECOVER. BUY CHEAP CIGARETTES OR LIKE **ALCOHOL**. This is a very good legal way to fuck them over, try to talk female drug addicts out of recovering too. WOMEN ARE NOT YOUR FRIEND, they are not empathic and 80/20 of women think your below average. DO NOT GIVE THEM ATTENTION, the whore will naturally die out without attention or really anything to talk about. Convince their friends to ignore them. If you get everyone to leave them alone, they lose their power. DO the exact opposite of what they say whenever it's legal and safe. Never stop thinking about what they say. Make yourself mad about what they say. Do not kill yourself nigga, I know I probably didn't follow this but women hate you, live as long as possible. Turn to god when dying, god hates women, he would probably understand. The rat theory, I think women will hurt, abandon eat their children when hypergamy(marrying or dating the very best mostly by looks) accelerates to a breaking point. There was a experiment when rats had a infinite amount of food and room and water. When the female rats started having these freedoms, they choose the largest and oldest rats. To dates this is the equivalent of choosing a 6'8 HTN(high tier normie)+. The younger and weaker rats groomed themselves and got pushed out to the ends of the enclosure. When this took affect and the old male rats mating with the young females ones started dying out. The female rats started went 'insane' or as much as a rat could, I think this is

biological and women will do the same. In women, we are at a tipping point of what they do that resembles these rats. I think we might already be there. The only solution isn't talking to women or going outside and it's not giving up. You are smarter than a rat, it's to prevent whatever this is, the best way to do so is through fear and restricting women's rights to artificially prevent this. Some artificial things are good like limits on what women can work, where they can go, punishments for cheating and divorce rights. I'm not calling for witch trials, but they would be a great start. Women are traitors to every group on group naturally, every race, ethnicity and religion, or every man **woman** and child. They betray even their own gender, they will lie to their face openly. I think this is the definition of evil.

III. religious and spiritual struggle

No loyalty to not even yourself, the absence of good. Women worship ba'al or molech and can never repent biologically. Each month god hast to drain them of the people they have harmed. Their birth is painful and that's good, they don't deserve to be happy and they will never have true happiness. Women are the synagogue of satan. I wish for a world where I am alone, not away from everyone. A world where everyone is gone forever and will never come back, deeming of their work meaningless. The witch trials weren't bad. They burned women alive but every single one of them burned in question was a sex offender or cheated on their husband. The only thing that was bad about it is that they used fire instead of point blank with a 9MM bullet. We have the technology so why aren't we doing it? It's because of feminism and moral correction. At a time adultery/cheating was a capital punishment. Now it's a 20\$ fine or no jail time at all. In what world is that fair for anyone. Men and women face the

horrible idea of feminism and it has ruined everything for both of them.

IV. the 'science.' of it

Women deserve everything that happened to them today. They brought it on themselves by oppressing the most oppressed group on earth(incels). Nobody will end this male supported female fed holocaust against incels. Thousands of incels kill themselves every single year and women support it. It's not 'men's mental health' month. It should be incel awareness month. I'm not asking for sex or to date anyone. I wanted to simply be respected and seen as a human being. I'm not attacking you by existing. I didn't deserve this but you don't care, whether or not, you are a female, have a girlfriend and or are a leftist. You hate me if you respect women. Women don't respect me. Your supporting VIOLENCE against me, not the other way around.

V. what happened to me?

This is what ruined my life, it's called hypergamy. I'm at the very bottom, which means I get less rights. I do not have the right to be respected, have a decent job, be trusted. All because of page4 women. ALL women are like this, it's biological. In nature it

wouldn't matter, but we live in a centralized world. In natural it would be simple, you wouldn't need to follow social context or be attractive. You wouldn't need to reproduce you would simply hunt and kill. Women think the exact opposite of you, "You will desire to control your husband, but he will rule over you." - Genesis 3:16. Women are predators in nature, they seek out men who they outclass and attempt to control them. In men this is called grooming. You are told to obey your wife, girlfriend or even women around you and not your own will, they hate when you think. They hate everything about you. Women will seek you out just to control you, they will make them bow to their feet. You must not allow them to. Pervert your masculinity at all costs. Do not obey them, do not kiss their ground. You need to listen to yourself and the bible. Do not let race influence you to hate your fellow incels, you are at a race against time. They will try to demoralize you, make you gay and make you hate yourself and everyone else. They will try to make you kill yourself. Don't believe the satanic lies of them. They hate you for being you. Women rate men as ugly more than attractive on average by 4 fold that of men's ratings. They biologically and spiritually hate everything about men. They will never be victims of anything but themselves. They will bring up the fact that they are SA'd (sexual assaulted) 1 in 3. You are not a rapist, the brainwashed man is. Do not rape or be a pedophile, just because they hate you.

VI. Doctrine of women.

Do not turn the other cheek cause pain to them rather than rape or pray on the young. Attacking is much more effective, you will not be called a rapist or a horrible person. You must put hatred of women above all beliefs. With the next being that you hate people who support women like male feminists. PEDOPHILES ARE FEMINIST, do not be a pedophile, they will get mad at someone calling their girlfriend a whore. To check if someone is a fakecel or a feminist ask, 'if you had or have a girlfriend would she be a whore' this works on any fakecel, pedophile or not. Stop masturbating to women or anything like that, you need to get rid of your 'empathy' for them, sexually deprive yourself. This will make you more violent to women rather than sexually attracted. Stop masturbating or give yourself post nut clarity to induce hate to women. If your a real incel you should be getting rid of all hope and empathy for women, no matter what. Real incels need to step up and get rid of their biological wiring. If it is that deep simply hurt yourself anytime you speak to a woman to give yourself the ability to feel more hate and weakness to them. Fake weakness is strength. Use it wisely to secure a good amount of hatred. Spend hours writing, programming and playing chess to make yourself better at seeing through their lies. I recommend cybersecurity is a fun hobby. Never let women in your only spaces no matter what. Never help them, never tell them the truth, enact their own polices against them. An eye for an eye, if a woman hurts you and you can legally use self defense, try to enact as much legal harm as possible, do not hit them on the ground. It will ruin your claim.

VII. love to hate

Spread hatred for women and try to make them fight each other so they stop bothering incels and truecels alike. Do not stop spreading hate if it's legal. This is a guide and part manifesto, this is a work of satire also. Infiltrate their forums and spaces and cause fear to spread. God appeals to the fittest. If you act weak or pretend to be weak, god will ignore you and let the females and female supporters to punish you for it. Do not be dimwitted and do not give up on training yourself for the worst. Always carry something legal that can kill you, like legal toxins, enough for yourself **in case** of bad shit but not enough to only cripple you. A legal gun can also do this job. Only use if there are no other options. Do not hurt others with it of course. The world is cruel always have a way out. If you cannot or do not have a way out, you may die a painful death. A fast one is much better. Keep a notepad so people know your internal thoughts if your doing anything. Do not keep or say anything illegal on it. Hide the notepad As well.

VIII. basic decency.

Do not support female charities and keep money to yourself. If you have excess money only give it to homeless MEN. I am a misogynist not a heartless person. Give money to Poor men. If you see a man down on his luck. Prevent him from killing themselves and give them the root cause of their problems, believe it or not, it's always women. Ask them about their life and it is probably be a divorce or their mother not caring about them. Be selectively good to your community. Don't be kind to people with girlfriends or people who look attractive. If they die than so be it. Hypergamy is caused by you being kind to people who hate you. Don't be nice to ugly women or female burn victims. They would hate you if you looked like them, I feel bad about being mean to them but it's the only way of course. Don't be rude to yourself, you matter unless your a woman, than your halting the world and slowing everyone down. Did you know when women couldn't vote the government wasted less money?

IX. it's the woman's fault.

I know right, women's rights also hurt women too, the SA rate is higher because we let women vote. The women vote left and let 50 million immigrants in that rape them! Do not show support for these people, it may make you feel bad but feel bad in silence. Keep your emotions to yourself. They will call you edgy or a incel for not wanting women's rights. You are and that's okay, you matter to me and a lot of other people. You fight for our freedom. Never give up and blame women when it's your fault. This sounds crazy but women already cause harm to you and your male family(brothers, fathers, male cousins and nephews.). Keep going never let women ruin your life, ruin theirs first.

I feel bad about attacking females who have children or mothers. So attack the childless women and the whores. This is a delay of priorities when all of the whores are gone, attack the women with kids. Try to do it legally as possible. Hand out machetes to homeless people. Make them sign a waiver so you don't get in trouble. Make people aware of flaws in critical infrastructure. Try to legally make information get to the wrong people. Do not make it direct. I am not advocating for violence, but I am for harm. Use legally loopholes. Sue everyday people at mass. Make guides for niche things that people shouldn't know. Cause indirect fear. Spread misinformation. Make fun of rape victims.

X. Christianity tells you to hate women

When you are done that you need to continue, be your own army. Do not kill people illegally of course. Cause harm legally. Show support for laws that hate women. Support non terrorist registered **organizations** that harm women. Do not help them harm the women just provide support if you found a loophole. Rape is good actually. Rape is a natural way of lowering women's self esteem and it shouldn't be illegal. Be your worst. Hate your neighbor. Hate your wife, **"Εἴ τις ἔρχεται πρὸς με καὶ οὐ μισεῖ τὸν πατέρα ἑαυτοῦ καὶ τὴν μητέρα καὶ τὴν γυναῖκα καὶ τὰ τέκνα καὶ τοὺς ἀδελφούς καὶ τὰς ἀδελφάς, ἔτι τε καὶ τὴν ἑαυτοῦ ψυχὴν, οὐ δύναται εἶναι μου μαθητής."** - Luke 14:26. Spread as much legal fear as possible. When laws don't catch up abuse all loopholes.

XI. judaism and women...

Jews hate women too, women are the enemy of man. Evidence one "The evil inclination of a woman is greater than that of a man"

- Talmud Niddah 45b

women are more likely to be EVIL. Evidence two, "Woman is a vessel of impurity" - Genesis Rabbah 17:8 this means women are IMPURE AND BLEED SIN INTO PEOPLE. Women are pieces of shit,

"A woman is a pitcher full of excrement" - Talmud Niddah 45b.

XII. islam hates women.

Women will go to hell, do not trust any of them, " حَدَّثَنَا سَعِيدُ بْنُ أَبِي مَرْيَمَ، قَالَ أَخْبَرَنَا مُحَمَّدُ بْنُ جَعْفَرٍ، قَالَ أَخْبَرَنِي زَيْدٌ - هُوَ ابْنُ أَسْلَمَ - عَنْ عِيَاضِ بْنِ عَبْدِ اللَّهِ، عَنْ أَبِي سَعِيدِ الْخُدْرِيِّ، قَالَ حَرَجَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ فِي أَصْحَى - أَوْ فِظَرٍ - إِلَى الْمُصَلَّى، فَمَرَّ عَلَى النِّسَاءِ فَقَالَ " يَا مَعْشَرَ النِّسَاءِ تَصَدَّقْنَ، فَإِنِّي أُرِيْتُكُنَّ أَكْثَرَ أَهْلِ النَّارِ ". فَقُلْنَ وَيَمَّ يَا رَسُولَ اللَّهِ قَالَ " تُكْثِرْنَ اللَّعْنَ، وَتَكْفُرْنَ الْعَشِيرَ، مَا رَأَيْتُ مِنْ نَاقِصَاتِ عَقْلِ وَدِينٍ أَذْهَبَ لِلْبِ الرَّجُلِ الْحَازِمِ مِنْ إِحْدَاكُنَّ ". قُلْنَ وَمَا نُفْصَانُ دِينِنَا وَعَقْلِنَا يَا رَسُولَ اللَّهِ قَالَ " أَلَيْسَ شَهَادَةُ الْمَرْأَةِ مِثْلَ نِصْفِ شَهَادَةِ الرَّجُلِ ". قُلْنَ بَلَى. قَالَ " فَذَلِكَ مِنْ نُفْصَانِ عَقْلِهَا، أَلَيْسَ إِذَا حَاصَتْ لَمْ تُصَلَّ وَلَمْ تَصُمْ ". قُلْنَ بَلَى. قَالَ " فَذَلِكَ مِنْ نُفْصَانِ دِينِهَا ". Fund artificial wombs and lab grown female eggs. We need to unshackle before they are **smote** by god. Line the street with the bodies of women (this is a metaphor for my hatred for them don't actually murder them with weapons). Eugenics now, male only ethnostate now.

XIII. incel futurism

I want incel jihad. Incel sharia now. You and I are so close to wiping out women. We need to get rid of their propose. In the future we will need to use eugenics to wipe out the will to reproduce with women. We will soon have artificial wombs and we already have lab grown female eggs. I want a incel jihad nigga.

XIV. the future

I believe one day, when we have fully artificial womb(which is currently rapidly advancing). I want a world where women are naturally not needed. We one day will not need them for their birth structure. We one day we will be liberated. We are very close, the only thing stopping niggas from committing genocide women is the fact that they are hot. I am **Post-female**(a world without women). I do not wanna keep them for no reason. I see no reason to torture them or anything like that. I want them gone. Never needed, not coming back. They no longer scavenge berries. We do not need them. Reproduction is the only reason why they are alive and is because we aren't advancing to full ectogenesis. We have ectogenesis just not full ectogenesis. In 50-100 years if there are regulations. If there isn't than full ectogenesis would accelerate much faster. We need to lobby for full ectogenesis and than lobby for women do not be able to have female full ectogenesis children. Never stop trying we will get rid of them nigga. I need your help to shut their lying dirty mouths. We do not need female rats anymore. The women need to be prevented from having female children. We need to make rape and **Pedophilia** laws to be hit with the death penalty but we need a post-female fascist or nationalistic corporatist state.

XV. CALL TO ACTION.

To make the world a better place. You need to convince world leaders to follow you. You need to lobby, legally bribe and push 'extreme' ideals. Make forums, websites and anti feminist **organizations**. Remove women from being leaders, dictators and in the military. Do not let them in your groups. We need a global post-female revolution. People need to rise up. Women will do this to you if you don't do it first. Leave your wife, girlfriends and leave all women in your life. 4/24

XX. you are the state.

If you get your god given political power in any case. Do not destroy anything, but women. You are a incel. You are now the state. Nobody will most likely listen to this. But incels are the state. Nothing outside of the state. When you are in power. Start defeminification, remove all products showing women. Pour tax money into developing artificial wombs(full ectogenesis) and invest more money to make it safer and higher production. Start phasing out women. Avoid the label of '**genocide**'. Convince all other nations, state leaders and local leaders. Tell all male family members to work much more. We need to expand the 'pay gap'. Women shouldn't be paid at all. Women control the old media. Start doing bans on women using social media. Make cheating have heavy prison time. Do a lot of lobbying. Ban pornography. Give yourself total power. Do my methods slowly, don't kill people who you have no reason to kill. Keep struggling, do pierce pay instead of wage pay. Never let women or secret feminists take your power. There is a feminist elite that controls people, do not be afraid or paranoid. To start the movement, find niche forums. Convince the only to ban women. Make a entry test that doesn't show what you are or who you are. Make it so you have to call your 'girlfriend' or lack of, a 'whore' to get in. This will kick out the 'decent men'. Incels are the decent men although. There's nothing wrong with being a incel in fact. Everything is the state, and incels are the state. You are a nation of incels.
